

Good morning District 68 Leaders!!

We have wonderful and exciting news to announce.....WE REACHED OUR GOALS!!!!

As you know, we reached our educational goals earlier and our club goal was reached very recently. Our final push has been member payments.

Thanks to the efforts of several clubs who took advantage of the incentive and added at least three new members online between June 13 and June 27, other clubs who added members via sending payments to headquarters, and still other clubs who worked to renew members who had not yet paid their renewal dues, as well as the most recent submission of a new club charter, Franklin Avenue Baptist Church, OUR MEMBER PAYMENT GOAL HAS BEEN EXCEEDED as of yesterday!!!! We are currently 15 member payments ahead!! We are so excited we can barely contain ourselves!!!!

Also, as you can see below, our club base at the beginning of the year was 53. According to the District Success Plan, we had to add at least one new club. Our stretch goal for the year was to add five new clubs. The records show that we have added six new clubs to the roster this year! We did lose a couple of clubs this year but fortunately we were able to replace those clubs and then continue to exceed our goal!!!! CONGRATULATIONS TO ALL INVOLVED IN ESTABLISHING THESE NEW CLUBS!!!

Not only that, but we still have one more new charter whose paperwork is scheduled to arrive at headquarters today. We very well may end the year with seven new clubs!!! It is so exciting and rewarding to set a goal, reach it, and then exceed it!!!!

This is all indicative of a team of people who worked and are working together to accomplish great things. We will be so very proud to represent all of you as we walk across the stage in Las Vegas in August to receive the Distinguished District award for a fourth consecutive year! We have certainly had our share of struggles and challenges this year but this just goes to show what a small group of people can do when they pull together for a common cause. We may be small but we are mighty!!

We are proud to say that WE ARE ... AND WE WILL REMAIN ... DISTINGUISHED DISTRICT 68!
WE ARE ... AND WE WILL CONTINUE TO ... REMEMBER THE MEMBER!

Humbly, Your District Leadership Team
